If you have questions about the contents of this summary, please contact Grace Dawson [gawson@nysacho.org](mailto:gawson@nysacho.org) at NYSACHO.

Agenda Item	Discussion/Presentation	Action Item
<b>Technical Assistance, Training &amp; IS Unit – Assistive Technology Devices (ATDs)</b>	<p><b>Overview</b></p> <ul style="list-style-type: none"><li>Counties continue to report significant delays and communication issues related to Assistive Technology Device (ATD) requests.</li><li>Issues were initially raised at the spring in-person meeting and continue despite some reported improvement.</li><li>BEI and PCG acknowledge the delays and confirm ongoing work to improve tracking, communication, and fulfillment.</li></ul> <p><b>Actions Taken by BEI &amp; PCG</b></p> <ul style="list-style-type: none"><li>PCG added staff dedicated to AT request processing.</li><li>BEI, PCG, and BEI's AT team are meeting regularly.</li><li>PCG now provides more frequent updates when counties or providers reach out.</li><li>BEI encourages escalation so delays can be tracked centrally.</li></ul> <p><b>Recommended Communication Workflow (Interim)</b></p> <ol style="list-style-type: none"><li>First step: Contact PCG (Cherise Sinclair) directly regarding ATD status.</li><li>Include:<ul style="list-style-type: none"><li>Child ID number (no names)</li><li>Equipment requested</li><li>Date of request</li></ul></li><li>CC: BEI (beipub@health.ny.gov)</li><li>Reminder: Do not include PII; use child reference numbers only.</li></ol> <p><b>County Feedback &amp; Concerns</b></p> <ul style="list-style-type: none"><li>Counties report:<ul style="list-style-type: none"><li>No prior purchase authorization notifications.</li><li>Lack of visibility into whether requests were received.</li></ul></li></ul>	

**NEW YORK STATE ASSOCIATION  
OF COUNTY HEALTH OFFICIALS**

*Leading the Way to Healthier Communities*

	<ul style="list-style-type: none"><li>○ Delays exceeding 60–90 days, even when equipment is in stock.</li><li>○ Burden on counties to explain delays to families and defend service gaps.</li><li>• Counties requested:<ul style="list-style-type: none"><li>○ Written guidance outlining a clear workflow.</li><li>○ Monthly or routine reporting of outstanding ATDs by child reference number.</li><li>○ Inclusion of counties in PCG–vendor communications.</li><li>○ Greater transparency on where delays occur (PCG vs. vendors).</li></ul></li></ul> <p><b>Responses / Follow-Up</b></p> <ul style="list-style-type: none"><li>• BEI agreed to:<ul style="list-style-type: none"><li>○ Work with PCG to explore a status report on outstanding ATDs.</li><li>○ Ask PCG about including counties in vendor communications.</li><li>○ Issue written guidance clarifying workflow and escalation steps.</li></ul></li><li>• Counties were encouraged to continue flagging delayed cases so BEI can track patterns system-wide.</li></ul>	
<b>Neonatal Abstinence Syndrome (NAS) &amp; Auto- Qualifying Conditions</b>	<p><b>NAS Auto-Qualifier</b></p> <ul style="list-style-type: none"><li>• There is no age or time limit on use of NAS as an auto-qualifying diagnosis.</li><li>• NAS qualifies a child for EI, but does not guarantee services indefinitely.</li></ul> <p><b>Key Clarifications</b></p> <ul style="list-style-type: none"><li>• Eligibility ≠ automatic continuation of services.</li><li>• IFSP teams retain authority to:<ul style="list-style-type: none"><li>○ Reassess needs.</li><li>○ Discontinue services if no longer warranted.</li><li>○ Request a new multidisciplinary evaluation (MDE) if appropriate.</li></ul></li></ul> <p><b>County Requests</b></p> <ul style="list-style-type: none"><li>• Clarification letter explaining:<ul style="list-style-type: none"><li>○ How auto-qualifying diagnoses interact with IFSP decision-making.</li><li>○ Authority to discontinue services when needs are no longer present.</li></ul></li><li>• Clear differentiation between:<ul style="list-style-type: none"><li>○ Auto-qualifying list vs. high-probability list.</li></ul></li></ul> <p><b>BEI Responses</b></p> <ul style="list-style-type: none"><li>• BEI agreed to:<ul style="list-style-type: none"><li>○ Note specific changes when auto-qualifying lists are updated.</li><li>○ Consider issuing written clarification on auto-qualifiers and IFSP decision-making.</li></ul></li></ul>	

	<ul style="list-style-type: none"><li>Auto-qualifying diagnoses are listed on the “blue list” (ICD-10 based).</li><li>Diagnoses may be submitted for BEI and DOH medical director review if counties believe they warrant auto-qualifier status.</li></ul> <p><b>Corrected Diagnoses</b></p> <ul style="list-style-type: none"><li>Conditions such as cleft lip/palate are not auto-qualifying once corrected, though children may still qualify based on functional delays.</li></ul>	
<b>Fiscal Planning &amp; Policy Unit – Respite &amp; Transportation Billing</b>	<p><b>Respite Billing Process</b></p> <ul style="list-style-type: none"><li>Respite claims:<ul style="list-style-type: none"><li>Entered into the Hub.</li><li>Vouched through the voucher process.</li><li>Require a separate signed claim for payment (PDF acceptable).</li></ul></li><li>This signature step mirrors the former invoice process.</li></ul> <p><b>Reimbursement Rate</b></p> <ul style="list-style-type: none"><li>Respite reimbursement remains 50%.</li></ul> <p><b>Transportation Reimbursement</b></p> <ul style="list-style-type: none"><li>Reimbursement is based on date of claim acceptance in the Hub, not date of service.</li><li>Most recent reimbursement covered accepted claims through February 2025.</li><li>No fixed reimbursement schedule; future payments depend on available funds.</li><li>Next anticipated reimbursement likely to cover March–April, pending cash approval.</li></ul> <p><b>County Requests</b></p> <ul style="list-style-type: none"><li>Clearer breakdown in escrow reimbursement summaries (transportation vs. other services).</li><li>Confirmation that transportation adjustments will continue to be identified separately.</li></ul>	
<b>Information Systems &amp; Quality Improvement Unit – EI Hub Updates</b>	<p><b>Full Release (December 11-12)</b></p> <ul style="list-style-type: none"><li>First full system release (beyond hotfixes).</li><li>Included performance, validation, and usability updates.</li></ul> <p><b>Key Enhancements</b></p> <ul style="list-style-type: none"><li>Therapist MPI lookup and improved duplicate checks.</li><li>IFSP copy logic now limits selections to appropriate next actions.</li><li>Future-dated address functionality added.</li><li>Service logging fixes for co-visits and makeup visits.</li><li>Resolution of issues related to:<ul style="list-style-type: none"><li>Missing edit buttons.</li><li>Children incorrectly remaining on caseloads.</li></ul></li></ul>	

	<p><b>2026 Enhancements Under Review</b></p> <ul style="list-style-type: none"><li>Ability to edit closed IFSPs (initially PCG/BEI only).</li><li>Deleting draft IFSPs.</li><li>Panel consolidation to reduce navigation burden.</li><li>Improvements to amendment logic.</li><li>Potential reopening of IFSPs for limited corrections (e.g., transportation authorizations).</li></ul> <p><b>County Issues Raised</b></p> <ul style="list-style-type: none"><li>Longer load times post-release (PCG reports system within SLA).</li><li>Loss of delete permissions for MuniProgAll role.</li><li>Errors editing draft IFSPs.</li><li>Errors assigning therapists or service coordinators.</li><li>Inconsistent behavior when amending IFSPs.</li><li>IFSP approvals requiring multiple attempts.</li><li>Loss of copy buttons in some IFSP views.</li></ul> <p><b>Guidance</b></p> <ul style="list-style-type: none"><li>Counties were asked to submit Dynamics ticket numbers for all issues so PCG can investigate.</li><li>Many issues likely configuration-related and resolvable once identified.</li></ul> <p><b>Call Center Feedback</b></p> <ul style="list-style-type: none"><li>Counties expressed:<ul style="list-style-type: none"><li>Frustration with repeated escalations.</li><li>Perception that county staff often know more than call center agents.</li><li>Desire for dedicated county-specific support.</li></ul></li><li>BEI and PCG acknowledged concerns and expressed openness to:<ul style="list-style-type: none"><li>Reviewing recordings.</li><li>Additional training.</li><li>Partnering with NYSACHO on a county satisfaction survey.</li></ul></li></ul>	
<b>Next Steps &amp; Follow-Up</b>	<p><b>BEI and PCG will:</b></p> <ul style="list-style-type: none"><li>Explore ATD reporting options.</li><li>Consider clarification letters on auto-qualifiers.</li><li>Review Hub issues raised with supporting tickets.</li><li>Discuss call center improvements and potential survey collaboration.</li></ul>
